

Mozart - Violin Concerto No. 5 in A Major, KV219: 2-CD Set

(Music Minus One). Performed by Geoffrey Applegate, violin Accompaniment: Stuttgart Symphony Orchestra Conductor: Emil Kahn This concerto is, along with the 3rd Violin Concerto, probably the best known and most loved of Mozarts five violin concerti. An essential part of the violinists repertoire, and now digitally remastered. Contains an authoritative urtext edition of the violin part, based on the authoritative Mozart Complete Works Edition as published by Breitkopf & Hartel ca. 1880, with demarcated editorial performance suggestions, and featuring a reduced-size orchestral reduction below for easy performance and study, newly engraved and printed on high-quality, acid-free ivory paper for ease of reading; a compact disc containing the complete performance of the concerto in digitally remastered stereo; followed by a second digital stereo version minus the soloist, thoroughly indexed for ease of practice and performance; and a second compact disc containing the complete version of the concerto followed by a -20% slow-tempo version of the accompaniment for practice purposes.
