

Native American Wisdom: A spiritual Tradition at One with Nature (New Introduction by Dr Mick Gidley) (Sacred Texts)

The spiritual wisdom of the Native American peoples is based on a love and reverence for Nature, a belief in a Supreme Being and a spirit world which interacts with human activity. This engaging collection contains moving quotations from leading American Native Indians, Chiefs, Medicine Men, as well as ordinary people, poems, songs, prose, speeches and stories both past and present. The contents are in alphabetical order and are grouped around the main Native Indian Nations from Apache to Zuni, including the Sioux, Eskimo, Cherokee and many more. It also includes tributes from famous Poets such as Longfellow and George Meredith.
