

The Joint Rolling Handbook 2: New and Classic Tips, Tricks and Techniques!

In this witty illustrated primer cartoon buddies Buster Buns and Fats Bat explain, in vivid detail, the fine art of joint rolling. Different types of joints are featured, and are conveniently organized by level of difficulty. Each stage in the rolling process is illustrated with step-by-step instructions, making this an invaluable guide for neophyte tokers, while the more radical rolled creations offer inspiration to experienced smokers. Also included are buying, testing, and growing tips, illustrated in Bobcats wild style.
