

An Unremarkable Testimony: Single Session Bible Study: Some of us cant pinpoint a moment of conversion, and thats okay. (Christianity Today Studies Book 284)

Those who were raised in the Christian faith may have trouble narrowing down when exactly they first believed. From the time of their earliest memories, Scripture and church teachings dominated what they thought about God and how they approached life. If they never strayed from those teachings, its hard to pinpoint when and how they became Christians, which can lead to doubt. But as this study points out, our unremarkable testimonies can foster certainty and thankfulness instead of insecurity.
