

This book provides a translation of the only surviving ancient commentary on Platos Goroias, written by the Alexandrian Platonist Olympiodorus in the sixth century A.D. There are substantial notes on the commentary, which assist the reader to understand the context of Olympiodorus Platonism, the choices available to him as an interpreter, and the special characteristics of his interpretation. A full introduction tackles the issues of greatest interest that arise from the work, including the authors mission as a Hellenist resisting Christian attacks on his discipline. Indices are provided. The authors show that there is much more of value in this commentary than has often been supposed, and that the differences between Olympiodorus approach and those of modern commentators are often illuminating.

Schoenbergs Models for Beginners in Composition (Schoenberg in Words), Nelsons Annual Youth Ministry Sourcebook, 2007 Edition, Basic English Grammar Student Book, 3rd Edition, Edward Lear: The life of a wanderer, Auf Alten Wegen In Mexico & Guatemala (German Edition), The Complete Encyclopedia of Football, Negro Slavery;: Or, A View Of Some Of The More Prominent Features Of That State Of Society, As It Exists In The United States Of America And In The Colonies Of The West Indies, Especially In Jamaica, Thorsons Introductory Guide to Reflexology: A Patients Guide, Lose Weight Here: The Metabolic Secret to Target Stubborn Fat and Fix Your Problem Areas, Waltz in A-flat Major (Alfred Masterwork Edition),
