

Murray Puras Blue Heaven Romance - Volume 3 - Do No Harm

When Rebekah Lansing met Dr. Richard Moore, her life took a dramatic turn toward what appeared to be a glorious, romance-filled future. Then a drunk ran a red light and changed everything. Now, encased in a body that wouldn't move, her dreams of being loved and cherished and sharing a life with the man she adored had shattered and crashed down around her. Was there any purpose for her life now? Would Richard remain at her side or abandon her for someone else? How could she be sure of his love? And even if he pledged it, did she have the right to hold him to his promise, particularly when she knew there was another woman healthy and beautiful waiting in the wings to take her place?
