

Stories from the New Testament

This companion to Stories from the Old Testament is a collection of 17 New Testament stories told in the language of the King James version of the Bible. The book features paintings from the fine art of the National Gallery, London: Crivelli's Mary bows her head to receive the Angel Gabriel's message; and Botticelli, Titian and Caravaggio reveal miracles and conversions, betrayals and dangers, death and a victorious return to life. Insights into the context of the paintings and the artists who created them is provided at the end of the book.
