

Waiting with God

*** Authors note: Trusting God with Your Dream - is a new updated version of the popular Waiting with God: 31-day devotional- new title, new cover, newly expanded and updated contents! Can you trust God with your hearts desire? With the dream you've held onto for years without an answer? This 31-day devotional explores how we can share our dreams and fears with God, and discover that He cares and loves our dreams. Each day features Bible verses for meditation and a short essay for your personal reflection and prayer. If you've wondered if your dreams will ever come to life, you will find comfort in this 31-day devotional for young women as we walk together through God's Word. By the end of our month together, you'll find new hope for your dreams, and Jesus calling you into a relationship that will be a lifelong source of comfort and strength. From this day forward, while you're waiting for your dream, you'll know that you're not alone. Waiting is often when God draws us closest to Him, to receive the gift of His companionship. Instead of waiting on God to fix your life, you'll find that you are working with God to create the life He's planned for you all along. When you feel alone, don't despair: God is with you. God loves you. God will never abandon you. Though the Lord gave you adversity for food and suffering for drink, He will still be with you to teach you. You will see your teacher with your own eyes. Your own ears will hear him. Right behind you a voice will say, This is the way you should go, whether to the right or to the left. ~ Isaiah 30:20 -22
