

Have a Nice Guy

Bad Boy Warning! You dont want a bad boy, my dear; at least not in the real world. You can fantasize all you like about a scruffy, Harley-driving, tattooed beast who does things you thought youd never allow. But, you dont want to meet him, because eventually hes going to shit all over you, emotionally. You need a nice guy. Forget that nonsense about how anything worthwhile is worth working hard for. If you wanted to buy a horse you could ride around the neighborhood, you would never opt for a wild bronco that would scream, thrash, and resist every attempt you made to civilize him. Youd go for the broken stud, and avoid a broken neck. Thats why I suggest you recalibrate your penis-homing device. If youre in a bar, and you spot a tanned God in a vintage T-shirt and sandals who winks and slaps your ass as he walks by, run away. Run toward that kind fellow over there--the one who has been down the aisle a few times, and learned how to behave. Have a nice guy!
