

No Regrets: The Best, Worst, & Most #\$\$%*ing Ridiculous Tattoos Ever

Dr. Phil, Gay Unicorns, and Jesus Christ...Theyre all tattooed on someones ass. Or face, or whatever. Remember that time you were wasted and thought it would be a good idea to get a tattoo on your leg of Maury Povich shaking hands with Sasquatch, but your friends talked you out of it at the last second? Well, some people dont have any friends...Aviva Yael and P. M. Chen spent a year going to tattoo conventions and tattoo studios all over the country, chasing, stalking, e-mailing, calling, interviewing, ambushing, and hunting down whomever they could in order to find the most insane tattoos out there. What started out as a joke in a bar became a year-long tattoo safari thats presented here in all its full color, balls-to-the-wall, train-wreck/beauty-pageant glory.
