HARLAN ELLISON'S
Unproduced Screenplay

NONE OF THE ABOVE

Harlan Ellisons never-before-published 238-page, unproduced screenplay adaptation of Norman Spinrads Hugo Award-nominated novel BUG JACK BARRON that was to have been directed by Costa-Gavras (Z) for Universal Pictures in the early 1980s. Respected film critic and historian LEONARD MALTIN has written an insightful introduction with input from Ellison on why after nearly 30 years the film has still never been made. This paperback book includes Ellisons original casting suggestions from 1983 so you can see the movie in your mind with the faces Ellison imagined for each role. This screenplay was reproduced from Harlan Ellisons file copy. The pages originated on a manual typewriter, hence the idiosyncrasies that set them apart from the sanitized, word-processed pages of today.
