

Opening the Gates of Heaven: Walk in the Favor of Answered Prayer and Blessing

Walking in and under the favor of God

Do your prayers, praise, and worship sometimes feel like a routine? Weeks or months may pass with no demonstration of any financial, spiritual, or personal breakthrough. In *Opening the Gates of Heaven*, Perry Stone shows you how to release the flow of heavens blessing through both Gods revelation and the intervention of angelic messengers. With powerful examples from the lives of biblical characters and current examples from his own life, he reveals:

Twelve truths he learned from the greatest prayer warrior
The keys to recognizing the gates of heaven
What you should do when God says no or delays answers
Seven spiritual laws you must follow for answered prayer

How to pray through the battle of the firstborn
You do not have to be bound by the frustration of empty prayers and miracle-less living. Gods desire to meet your needs and to pour out an overflow of blessing is a part of His covenant with you.
