

Dont Get Screwed...: A Humorous Guide to Overcoming the Crap That Life Throws at You! (a self-indulgent help book)

Sizzling Kindle Reviews a wonderful anthology of short how-to articles with loads of humor laced in. The background of Fogel a comedy writer and self-help author certainly helps the journey while you are reading... Dont Get Screwed... who does? Great title, got my attention, but more importantly this author (who Ive followed for a while now) really out did himself with this book, chock full of great humor and how-to advice that really works.

Fogel has a way of making the mundane interesting and enjoyable. Very funny book with lots of good advice on how battle the B.S. that comes your way. I especially liked the chapter on What to Do In a Hostage Situation...! What THIS Book Can Do For You Every day something upsets you... costs you money... takes away your health... your freedom... messes up your plans.... you name it, it happens, right? Wouldnt it be great to not only have the solution to winning these battles, but also laughing them off at the same time?
