

## HOLY SPIRIT OUR GREATEST NEED

WHAT ARE YOUR PERCEPTIONS ABOUT THE HOLY SPIRIT? Do you think He is some kind of impersonal force or God? You will find very helpful answer about this question in this Book. This Book is short but contains very rich contents. Extremely helpful recipes that will make your Christianity life very healthy and dynamic. The Book is a very powerful guide and has been organized for you in an eight day studying schedule which you could use in that plan for small Group studies, daily devotion at home, Bible Studies, Bible Teachings, Sunday Schools, or you can personally decide to study everything very rapidly as you decide.

There has always been a group of people which I had once been a member. They are the kind of Christians who ignorantly reckon imprecisely and doubtfully about the Holy Spirit's Personality. They only think the Holy Spirit is some kind of impersonal force. You may be in this kind of group and still battling with that weakling carnal thought about the Holy Spirit as impersonal force, but after reading the information in this Book, you will know exactly who the Holy Spirit is and also you will know why He is of greatest need in our Christianity life.
