

Neighborhood Initiative and the Love of God

Imagine the whole church in every community in our cities working together to bring the love of God to every neighborhood. What if each of our homes became centers for the loving ministry of Jesus? What if every one of our neighbors then began to experience the extravagant love of God? People would say, I want to have the kind of love they have! and Jesus would be pleased. Through the love and power of the Holy Spirit, we can and will see this in our day. Neighborhood Initiative is for those who want to join a Jesus revolution of love in our cities, neighborhoods, families, workplaces, and schools.
