

Way of Wisdom: Patience In Waiting On God Sermons On James 4-5 (The New Westminster Pulpit) (New Westminster Pulpit Series)

The book of James is arguably the most practical book in the whole of the New Testament - it is in fact a letter with a plan. It is also a letter that has a great deal to say to us here and now. Too often the Christian church has been open to outside influences; wisdom has been replaced by popular consensus. The Way of Wisdom seeks to correct and counter such a movement. Taking as his theme the workings of a practical and personal faith, R.T. Kendall opens up this challenging epistle and offers a biblically-based model for Christian nurture and discipline. Here is a book that encourages reflection and the radical reorganization of our lives as we reconsider our relationship with God, the church and ourselves. The New Westminster Pulpit Series is based on sermons preached weekly by R.T. Kendall while he was minister at Westminster Chapel.
