

## The Real Force: A 40-Day Devotional

What lessons may we learn from this galaxy far, far away and how do they relate to the beliefs we hold so near, near to our hearts? Paul Kent's *The Real Force* features forty action-packed, thoughtful, and inspiring devotions that skillfully reveal the deep biblical ideals represented by the characters of the epic Star Wars saga. Each devotion discusses a scene or character from the Star Wars universe, relates it to a contemporary life challenge, and connects it with relevant scripture. From the iconic rise, fall, and redemption of Anakin Skywalker to the lesser-known struggles of minor characters like Major Derlin and Sabe, no stone is left unturned. No X-Wing is left unlifted. No chasm is left uncrossed. As Master Yoda might say: Inside this book, the answers are. Read it, you must! Paul Kent has written a great devotional book that combines the nostalgia of Star Wars with sound biblical truth. -- Todd Aaron Smith, Lucasfilm sketch card artist

An inspiring devotional written by a true fan! Paul Kent quotes from the Scriptures and Star Wars canon with equal ease, and blends them together to bring out biblical truths embedded in the fascinating story of a galaxy far, far away. -- Ed Strauss, author of *A Hobbit Devotional*

Paul Kent does a remarkable (even ingenious) job marrying one of the most beloved movie series of all time with the most cherished Book of all time. Without taking the premise too far or forcing any predictable agenda, he weaves spiritual themes and biblical truths with elements of the time-honored films. -- Trisha White Priebe, author of *A Sherlock Holmes Devotional*
