

A Counselor Looks at the Big Book

With an honest understanding of the alcoholic, Rick Rhodes outlines the way to recovery for all who suffer in the grips of alcoholism. This book isn't just for alcoholics; it's for those who live with alcoholic employers, spouses, and family. In a nonjudgmental way, Rhodes leads the alcoholic through denial and into a healthier life. As one reformed alcoholic coined it, AA ain't about quittin' drinkin'. It's about livin'!
