

Peace with God: The Secret of Happiness

Billy Graham shares Gods gentle, reassuring promise of spiritual calm of authentic personal peace amidst a personal life wracked with too much stress, too many burdens, too great a heartache. In Peace with God Billy Graham asks God to help this book find its way into the hands and hearts of a lost, confused, and searching world . . . men, women, and young people everywhere [who] thirst for peace with God. In spite of a life drenched with responsibilities and rewards, are you thirsting? Searching for some nameless thing that is more important than anything in life? You are not alone. All mankind is seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. All humanity is crying out for guidance, for comfort . . . for peace. Reverend Graham shares Gods gentle, reassuring promise of spiritual calm of authentic personal peace amidst a personal life wracked with too much stress, too many burdens, too great a heartache. I know men who would write a check for a million dollars if they could find peace, writes Reverend Graham. Millions are searching for it. But we Christians have found it! It is ours now and forever. We have found the secret of life! . . . When your spouse dies or your children get sick or you lose your job, you can have a peace that you dont understand. You may have tears at a graveside, but you can have an abiding peace, a quietness. Gods peace can be in your heart right now . . . Whatever the circumstances, whatever the call, whatever the duty, whatever the price, whatever the sacrifice His strength will be your strength in your hour of need. Its all yours, and its free. You dont have to work for it . . . Do not put it off.
