

Faith Limps: Trusting a Good God in a Broken World - DVD Leader Kit

Pain is common to every person's experience, and God is very concerned with how we process that pain. This study will help people own up to their pain, confront questions and doubts, and process their experiences in light of a faith relationship with a good and loving God. As participants begin to see their pain from God's viewpoint, they can engage the pain, allow God to walk with them through it, and move toward healing.
