

## Pelleas et Melisande, Op. 80, and Pavane, Op. 50, In Full Score (Dover Music Scores)

One of the most gifted composers of the French school, Gabriel Faure (1845-1924) created distinctive music strikingly original in texture, melody, and harmony. According to Groves Dictionary of Music and Musicians, Faures music reflected French civilization at its most fastidious. This handsome and affordable volume unites two of Faures superb orchestral works in one convenient, authoritative edition. Pelleas et Melisande, Op. 80, composed in 1898, is a four-movement suite for orchestra written after Faures incidental music for the drama by Maurice Maeterlinck a tragic tale that later inspired Debussys opera of the same name. The volume also includes Faures enormously popular Pavane, Op. 50, one of the most performed short orchestral works in the repertoire.
