

Christ in the Bible Commentary NIV Text, 4 Volumes

When Dr. Simpson first produced this series back in 1888, he stated that his intent was to unfold the spiritual teachings of the Scriptures, especially with reference to the Person and work of Christ. Indeed, these volumes will help both pastors and laypersons alike in their understanding of the person of Christ through Scripture. This new edition from WingSpread Publishers is an exact reprint of the 1992 edition previously published by Christian Publications, Inc., now combined into a convenient four-volume boxed set. As the new owners of the publishing rights to this commentary set, WingSpread Publishers is pleased to keep this valuable tool available to the Christian community.
