

## Sing Me Your Song, O!: Lyrical Plot Summaries of All the Gilbert & Sullivan Operettas Set to Tunes from the Scores

New to the delightful world of Gilbert & Sullivan? Lifelong G&S fanatic who sings The Nightmare Song from Iolanthe in the shower at the top of your lungs? Somewhere in between? This is the book that gets you as close as possible to these 14 wonderful shows. One sublime, maddeningly catchy song has been painstakingly selected from each operetta and set to entirely new lyrics, comically summarizing the plot of that particular show recreating Gilberts own inimitable topsy-turvy word-rhythms and set to Sullivans brilliant scores. Perfect for performance as a new revue for the enterprising theatrical/musical theatre company. Great for inclusion in notices of upcoming shows. Terrific for playbook handouts at performances. And best of all, fun to read, sing and laugh to, alone or with a rowdy group of your fellow Savoyards. Ideal for that G&S fanatic that has all the scores and recordings. He or she will never have seen anything quite like this before. Covers the entire G&S canon, from Thespis to Grand Duke and everything in between.
