

## Piense y hagase rico (Think and Grow Rich) (Spanish Edition)

Es así de sencillo: la riqueza, la realización personal, están al alcance de todas aquellas personas que lo desean; basta simplemente con develar el secreto del éxito. Y para ello sencillamente hay que estar dispuesto a develarlo. Del famoso industrial, filántropo y escritor Daniel Carnegie, aprendió Napoleon Hill del secreto del éxito y lo sistematizó para hacerlo accesible a cualquier persona de cualquier clase social.
