

William James, Charles Peirce, and American Pragmatism

C.S. Peirce was an authentic American genius who developed a tough minded pragmatism and a sweeping philosophy of evolutionary love. William James, a trained physician, carefully studied human experience, including the highest reaches of consciousness. Peirce and James established a rich, sensible, and pragmatic American approach to philosophys traditional problems. The World of Philosophy series is a dramatic presentation, in understandable language, of the concerns, questions, interests, and overall outlook of the worlds great philosophers and philosophical traditions. Special emphasis on clear and relevant explanations gives you a new arsenal of insights toward living a better life.
