

## Praying in the Spirit

Is having a prayer language scriptural today? If its a legitimate gift from God, should I actually ask Him for it? Praying in the Spirit is a book on the New Testament gift of glossolalia. Robert W. Graves shows the uses of prayer language in devotions, intercession, praise, and worship. Through biblical teaching and straightforward discussion he shows you the powerful effects of praying in the Spirit. He draws upon a wide variety of sources, both charismatic and non-charismatic, representing centuries of Christian thought. And with clarity and insight, he provides answers to the prevalent objections to speaking in tongues. Praying in the Spirit offers you a deeper understanding of the Person and work of the Holy Spirit that can lead you to more-meaningful worship and ever-deepening fellowship with God the Father.
