

Psalm 150, M. 69: Vocal Score

Although Belgian composer Cesar Franck completed his setting of Pslam 150 in 1883, the work was not published until six years after his death in 1890. Richard Sargeants new edition, with English text based upon the King James translation, has been prepared with the chorus members needs in mind. The chorus staves are produced in a large size with a text font selected for maximum readability even under less-than-ideal lighting, which the organ reduction has been produced in smaller, cue-sized notes for ready reference.
