

Puccini Arias for Soprano: Cantolopera Collection

(Vocal). Cantolopera is an exceptional series of book/CD packs from Ricordi that offers a fresh approach to great opera repertoire. The books include versions for voice and piano of the worlds most famous arias. The CDs feature two versions of each aria: one with a 130-piece orchestra providing accompaniments to allow the professional, student or opera fan to practice, and another sung by an established artist for reference. Each volume contains the lyrics of the arias, plus a short plot summary and background information on the orchestra and the performers.
