

Pursue the Intentional Life: Teach us to number our days, that we may gain a heart of wisdom. (Psalm 90:12)

Do you ever wonder what your future holds? As ministry leader Jean Fleming began pondering how she could serve God with more purpose, she created Pursue the Intentional Life, a book that will help you discover how Gods promises and instructions contain just what you need for the unknown days ahead. Whether you are facing the end of something in your life, or embarking on a new beginning, this book will help you live meaningfully and intentionally in the present while preparing well for the future.
