Quit Smoking Now With Jere Parker Stop smoking no matter how long you have been a tobacco user. You can quit without any cravings and without a second thought. This Smoking Cessation Program comes with a free book to help aid you in the process. Begin making a dramatic difference in your life immediately. This Stop Smoking application will guide and teach you to awaken the hidden powers you have within you. Learn to Stop Smoking and regain control of your life. Cigarette smoke contains many, many carcinogens and a multitude of products damaging to our body. Cigar smoke, snuff and chew have proven to be responsible for some cancers. Yet people continue to smoke and the tobacco industry continues to market smoking and the use of tobacco products as smart and individualistic. They flavor their products with flavors of chocolate, strawberry, cherry, etc. Oncologists, cardiologist, ENT doctors and respiratory therapists know only too well the damage that occurs from these products. We smoke and literally watch our money go up in smoke. Our clothes smell, our breath smells, and we are controlled by an inanimate object that dictates to us which we not only follow but let it kill us in the process. Stop Smoking Testimonials I smoked for 19 years, 1-2 packs a day. I have previously tried everything and it never worked out. Since downloading the program I am smoke free and don't miss it.
