

Extraordinary Moments with God: Daily Reflections for Every Woman

How do ordinary days become filled with extraordinary moments? Sharon Jaynes, popular author, speaker, and Bible teacher, says those moments occur when men and women listen to God's still small voice and see His fingerprints on the pages of their lives. All day long God speaks to believers through the Bible, prayer, creation, nature, and circumstances. The key is for people to recognize those gentle nudges and turn aside from the busyness to see the burning bushes in their own backyards. This padded hardcover with ribbon marker is a treasury of stories highlighting God moments and reflecting on Scripture as it applies to life. As readers enjoy hearing how God is moving in the lives of fellow travelers, they will begin to recognize God's presence and sense His working in their own lives.
