

STUCK LEADERS GUIDE

So many of us live stuck. Stuck trying to seem perfect. Stuck in the sadness. Stuck feeling numb. Stuck pursuing more stuff to make us happy. Stuck in something we cant even name. These stuck places often go unattended inside of us and they are shaping our lives more than we would like to think. Weve been trying to fix this feeling with everything but God. He has a plan for these spaces inside of us, the places we feel broken, but we have to go to Him. Stuck is a journey to take an honest look at the fight going on inside, leading us to the God who has a plan to restore it, to restore us. This guide serves as a tool to prepare you in leading this Stuck study and to encourage you along the way. It helps you as the leader to effectively point your women to the overarching theme of each lesson and point them to the themes of each study.
