

Wild Goose Chase: Rediscover the Adventure of Pursuing God

Most of us have no idea where we were going most of the time. Perfect. Celtic Christians had a name for the Holy Spirit - An Geadh-Glas, or the Wild Goose. The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger, an air of unpredictability surround Him. And while the name may sound a little sacrilegious, I cannot think of a better description of what its like to follow the Spirit through life. I think the Celtic Christians were on to something.
