

Holy Spirit Revelation & Revolution: Exploring the Holy Spirit Dimensions

In Holy Spirit Revelation and Revolution, renowned international Evangelist Reinhard Bonnke invites you to break your bounds and encounter the meaning and miracles of the Spirit. Don't wait—it will change your life and inspire your faith. Trying to write about the Holy Spirit is like trying to dive to the depths of the ocean with just a snorkel. The deeper you go the more beautiful it becomes, yet reaching the bottom is impossible. This book by the renowned Evangelist Reinhard Bonnke is the best writing on the Holy Spirit, the third Person of the Godhead that one has ever read. It is not a mere personal opinion, but a revelation of unchangeable truths grounded in biblical facts. The author writes from over 40 years of practical experience of the reality of the Holy Spirit. Over 100 years ago a new move of the Holy Spirit spread from Los Angeles to Scandinavia and on into Europe. May this book ignite each and every reader to experience what God has promised to every Christian serious about serving God. Here is profound truth so simple that even a child can understand it, yet revelation so deep that it will challenge every scholar to look afresh at a revolutionary new dimension of the Holy Spirit.
