

## The Passionate Marriage (Focus on the Family Marriage Series)

In a Christ-Centered Marriage, True Passion Can Thrive Sparks of passion can lead to marriage, but what happens when life throws sand on the embers? Is there a secret to maintaining passion through the decades? In *The Passionate Marriage*, understand what biblical married love should be, learn why total intimacy was especially designed for marriage, find out how infidelity can begin in seemingly harmless ways, and discover why God's deep love for His people is often referred to as the divine romance. This study contains four sessions, each with four main components: Tilling the Ground, Planting the Seed, Watering the Hope, Harvesting the Fruit. With Christ at the center of your union, you can have a thriving, passionate relationship long into the future. We often hear that the institution of marriage is suffering. But there is good news, too! By submitting their relationships to God and seeking out the right resources, married couples can know what it means to truly thrive. That's what Focus on the Family's Marriage Series is all about. Whether you're in a small group, a mentoring relationship, or you just want to study as a couple, this series can transform your marriage for the better. --Jim Daly, President, Focus on the Family. Marriage is an amazing adventure--filled with excitement, joy, and challenges. Focus on the Family's Marriage Series examines God's gift of marriage in all of its wonderful dimensions. I consider it a privilege to be involved with this important set of relationship-strengthening resources. --Dr. Greg Smalley, Vice President, Family Ministries, Focus on the Family
