

# Remembering the Kana: The Hiragana / The Katakana

This book will help you teach yourself the writing and reading of all 46 characters each of Japanese hiragana and katakana syllabary from memory. By making use of a method of imaginative memory, introduced in this book, you will be saved from the order of repetition. Following the method, you will be able to write and read all Japanese Kana in three hours and retain them by means of the incredible mnemonic methods. Instructions at the bottom of each page will ask you to skip backwards and forwards through the book, following the best learning order. The lessons will guide you step by step through this process. As an added bonus, the book includes a supplement on Learning How to Remember.
