

Revolution in World Missions: One Mans Journey to Change a Generation

Lord, Ill give myself to speak for You. Young Yohannan had no idea what those words of surrender would mean for his life and for millions of others in his generation. Once an insecure 16-year-old, he became a missionary statesman who has impacted the world of missions and whose unbending message has touched hungry hearts on every continent. Step into his story and experience the world through his eyes. Youll walk right into the book of Acts. And through his telling, youll hear the very heart of God beating for His creation. K.P. Yohannans passion is contagious and spurs you on to be all for Jesus. He chose to take the road less traveled many years ago, and today Gospel for Asia, the mission he founded, is one of the most respected organizations in our time with thousands of national workers and vibrant congregations throughout the heart of the 10/40 Window. Get ready-your life is about to change!
