

[(Right Behind : A Parody of Last Days Goofiness)] [By (author) N D Wilson] published on (July, 2001)

LaHaye and Jenkins best-selling apocalyptic fiction novel, *Left Behind*, is already so ridiculous that its hard to make a parody of it. Yet the conservative Christian author, Nathan Wilson, bravely sets forth to push it over the top. Tweaked versions of all the original characters work together in an absurd tangle of Evangelical goofiness struggling to make sense of the pathetically gnostic vision of the original story. You wont want to miss all body parts, cats, and youth pastors left behind, Buff Williamsons Ivy League deductions, Haddie the Whore of Babylon, or the climactic struggle with the Tulsa Antichrist in a Christian book store. If you regret reading *Left Behind*, read *Right Behind* to ease that pain with laughter.
