

Schumann Cello Concerto In A Minor Opus 129 Book/CD

Perform timeless Cello works with The Stuttgart Symphony Orchestra! Perfect for practice, rehearsal, auditions, contest solos, performances, and more! Schumanns concerto for violoncello, written in 1850, is one of the great pieces for this instrument. Schumann cast this piece (which he called a concert-piece) in connected movements which give it an almost fantasia-like character. The accompanying concert pieces on this album are gems of the romantic repertoire. Glorious music! Includes a high-quality printed music score and a compact disc containing a complete performance with soloist; then a second version with the orchestral accompaniment, minus you, the soloist. MMO CD 3705 Performed by Concerto: Vladimir Babits, violoncello; Concertpieces: Kate Dillingham, violoncello Accompaniment: Concerto: Stuttgart Symphony Orchestra; Concertpieces: Linda Kessler-Ferri, piano Conductor: Emil Kahn
