

Ruddigore: Full score

This edition is complete, clear, and practical as well as being scholarly and authoritative. It returns to the primary sources to present the music and libretto as performed during the original Savoy Theatre run. Vocal scores and full scores include the complete libretto. Clearly printed orchestral parts, matching exactly the text given in the full and vocal scores, are available on hire. Vocal scores and full scores include all the important completed but discarded material, and a series of appendices includes hitherto unpublished material from the Ghost Scene and elsewhere. This is conveniently cued from the music pages for easy inclusion. The full score, handsomely engraved and bound, contains extensive introductory notes.
