

Spanish-Coloring and Activity Book Vol 2: From King Saul To Queen Esther (Spanish Edition)

We know All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right. II Timothy 3:16 NLT Knowing that everything in the Bible is useful and so much to understand, we wanted to present Scripture to children in an interesting, creative way for them to learn. Kids love activities and to color so we decided to combine that with what the Bible teaches. Instead of just reading a passage, a parent or teacher can read the passage and the children color as they listen or viceversa. It also encourages the children to show their family and friends their coloring but also share what they learned. Each volume also has an 8page section that focuses on one theme and in Volume 2; the focus is on Prayer. By the time they finish the activities and read what is written each child will have a far better understanding of prayer in addition to what they learned from the passages with coloring.
