

Selected Sermons of Jonathan Edwards

Jonathan Edwards (October 5, 1703 March 22, 1758) was a Christian preacher and theologian. Edwards is widely acknowledged to be Americas most important and original philosophical theologian, and one of Americas greatest intellectuals. Edwardss theological work is broad in scope, but he is often associated with Reformed theology, the metaphysics of theological determinism, and the Puritan heritage. Recent studies have emphasized how thoroughly Edwards grounded his lifes work on conceptions of beauty, harmony, and ethical fittingness, and how central The Enlightenment was to his mindset. Edwards played a critical role in shaping the First Great Awakening, and oversaw some of the first revivals in 173335 at his church in Northampton, Massachusetts. (wikipedia.org)
