

Setting Our Affections upon Glory: Nine Sermons on the Gospel and the Church

Martyn Lloyd-Jones stands as one of the preeminent preachers of the 20th century. An ardent opponent of liberalism and a defender of orthodoxy, The Doctors legacy is still being felt today throughout the Protestant world. This collection of 9 previously unpublished sermons, originally delivered during his final visit to the United States, challenges us to reevaluate the focus of our lives and the object of our affections. Covering topics such as prayer, evangelism, and the church, this timely anthology serves as a wakeup call to the church, exhorting all of us to remain faithful to the Word of God and fostering a spirit of renewed devotional fervor.
