

## Shepherds Rod 2014

The term Shepherds Rod comes from Ezekiel 20:37 stating, and I shall make you pass under the rod, and I shall bring you into the bond of the covenant. This Scripture symbolically portrays a shepherd extending his rod as the sheep pass under his staff for evaluation. In this same way we, as the Lords sheep, pass under His staff during this season as further described in Jeremiah 33:13 and Leviticus 27:32. The purpose of this booklet is to simply outline the revelations that were received on that date in order to Biblically convey the revelation to the believer. It is not the intent of this outline to completely cover all the truth associated with these revelations. It would take a large book to adequately elaborate on and communicate all of the Biblical truth realized through these revelations. It is our prayer that the believer will study these revelations during the course of this year to extract all the understanding the Spirit of Truth will reveal. Much of the truth given in the Shepherds Rod is like seed that, once planted, requires time to develop and mature. These revelations apply to the year that it is given and the years to follow as each revelation provides greater clarity and focus for the Lords heart for this generation. The Shepherds Rod 2014 prophetically outlines what God is about to do beginning in 2014.
