

## Shes Got Issues: Seriously Good News for Stressed-Out, Secretly Scared Control Freaks Like Us

Weve all got our issues! Maybe you feel like life just isnt going your way, or youre afraid that you dont measure up to other peoples expectations. Perhaps you have a hard time managing your temper or have someone in your life you just cant forgive. We deal with our issues every day in one form or another; the problem is, after a while, they start to feel . . . normal. Unchanging. Just part of who we are. And we forget that we have access to the power of Christ?a power that can transform our everyday weaknesses into our greatest strengths and gifts. In *Shes Got Issues*, Christian counselor, ministry leader, and regular mom Nicole Unice explores the ordinary issues that are keeping you from the full and free life you were meant to have. Applying years of counseling with practical scriptural teaching and a fresh and authentic voice, Nicole shows you how to let God freely shape your character?and transform your life from ordinary to abundant.
