

## 131 Creative Conversations For Families: Christ-honoring conversation starters to strengthen your family bond (Volume 2)

131 Creative Conversations For Families, is the second book in my Creative Conversations series! The average family spends less than 8 hours together each week, and the majority of this time is spent zoned-out, in front of a screen. Be above average, and take your family from distant, to joyfully-engaged! Conversation Starters Include: - If you could have any superpower, what would it be, and how would you use this power to serve others? - What are some activities you would like to try that also scare you? - What commands in the Bible are easy for you to follow? Which ones do you need to work on? Each chapter begins with a brief introduction to a key family value. This is followed-up with 10 conversation starters to encourage your family to cultivate that Christ-honoring value in your home. Use this book as a family devotional, bring it on a road trip, or use it as a guide to create lively discussion during family meals. Simple moments of joy make a lasting impression on our families hearts that last a lifetime! Level-up your family joy, build into each others lives, and cultivate a closer connection with 131 Creative Conversations For Families! This is a book the entire family will enjoy!
