

Copying a hand written piano score into Sibelius: Learning Sibelius 7.5 on a Need-to-Know basis

In this short Sibelius 7.5 guide, we will copy a handwritten piano score into Sibelius the fastest way possible, using the programs default settings and page layout. The goal of this short guide is to make piano music engraving accessible and easy for those who never touched Sibelius before and have no engraving experience whatsoever. Note entree will be done using the computers numeric keypad and a midi keyboard. This guide is the first release in the Learning Sibelius 7.5 on an As Needed Basis series, in which only the most essential information needed to create a clean engraving is given. This way, you will get results fast without having to study Sibelius in depth.
