Not your typical boring diet book, Skinny Bitch is a tart-tongued, no-holds-barred wake-up call to all women who want to be thin. With such blunt advice as Soda is liquid Satan and You are a total moron if you think the Atkins Diet will make you thin, its a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the listener laugh out loud with its truthful, smart-mouthed revelations. Skinny Bitch in the Kitch, the follow-up to Skinny Bitch, provides over seventy-five recipes that will satisfy any crazy craving and cooking quandary a Skinny Bitch may have: like what to fix for an easy weekday dinner or serve at a dinner party. The authors offer dishes for all occasions, from Bitchin Breakfasts and PMS Pleasing Snacks to Hearty-Ass Sandwiches and International Bitch Fare. With Skinny Bitch Deluxe Edition, you get both the detailed guidelines for a healthier lifestyle and directions on how to make dozens of meals to fit that lifestyle. With this book, no Skinny Bitch will go hungry or unsatisfied!
