

## Americano: Growing up Gay and Latino in the USA

Americano: Growing up Gay and Latino in the USA is a groundbreaking collection from one of the most provocative voices in modern American poetry. The poems contained in these pages challenge mainstream sexual, political and religious beliefs reflecting unique experiences from the outskirts of the heartland. In pursuit of the American dream, this is a tribute to freedom and equality from an insider looking out while enjoying a piece of both the apple and lemon merengue pie.
