

# So You Dont Want to Go to Church Anymore: An Unexpected Journey

What would you do if you met someone you thought just might be one of Jesus original disciples still living in the 21st century? That's Jake's dilemma as he meets a man who talks of Jesus as if he had known him, and whose way of living challenges everything Jake had previously known. So You Dont Want to Go To Church Anymore is Jake's compelling journal that chronicles 13 conversations with his newfound friend over a four-year period and how those exchanges turn Jake's world upside-down. With his help, Jake faces his darkest fears, struggles through brutal circumstances and comes out on the other side in the joy and freedom he always dreamed was possible.
